Timetable for Rowan/Willow/Elm class.

	Day 1	Day 2	Day 3	Day 4	Day 5
English: Oak Academy School Website Purple Mash Phonics Play Letterjoin BBC Bitesize	**ENGLISH**  Look at the poems relating to the weather: The Seasons by Sara Coleridge and The Rain has Silver Sandals by Mary Justus. Talk about the structure, rhyming pattern if it has one, onomatopoeia (words that sound like their action) and adjectives. Use the sheet with the four seasons on and write down what you like/dislike about each season and why.	**ENGLISH**  Look at the different poems about rain and discuss the adjectives. Then have a go at writing your own rain poem. Remember to include lots of description about how it sounds, looks, feels and what you can do in the rain (i.e. bright yellow wellies splashing in puddles of rain).	**ENGLISH**  Watch the video on youtube: https://www.youtube.com/watch?v=nd5krX8kKZk about similes. Using the sheet with different pictures relating to Summer think of similes to describe each one. For example: The ice-cream sprinkles glisten like coloured jewels in the sun. The golden sunflowers as bright as the sun in the sky.	**ENGLISH**  Look at the PowerPoint about snow and winter and watch the different videos. Talk about how Winter is different to other seasons and why. Draw a wintery picture with you and your family doing an activity. Write down all the words you can think of to describe wintery weather such as slippery, crunchy, crispy, icy etc.	**ENGLISH**  Use the sheet 'Writing a Wintery Poem'. Look at the description using adjectives, verbs and adverbs. Discuss the description and how we can use verbs to describe snow/snowflakes (twirling, floating etc). Have a try at your own poem using some of the noun examples or use your own to start each line. E.g. Nose is bright red and tingly, Tree is glistening with sparkling snow.
Maths: BBC Bitesize White Rose School Website work Oak Academy Purple Mash Mathletics NRich	**MATHS** www.thenational.academy **Year 1** **Numbers to 50** **Lesson 1** To compare and order numbers within 50 (Part 1). **Year 2** **Graphs** **Lesson 1** To represent and interpret data.	**MATHS** www.thenational.academy **Year 1** **Numbers to 50** **Lesson 7** To compare and order numbers within 50 (Part 2). **Year 2** **Graphs** **Lesson 2** To represent and interpret data in a block diagram.	**MATHS** www.thenational.academy **Year 1** **Numbers to 50** **Lesson 8** To count in twos and fives. **Year 2** **Graphs** **Lesson 3** To represent data in a tally chart and pictogram.	**MATHS** www.thenational.academy **Year 1** **Numbers to 50** **Lesson 9** To count in twos, fives and tens. **Year 2** **Graphs** **Lesson 4** To represent data in a tally chart and block diagram.	**MATHS** www.thenational.academy **Year 1** **Numbers to 50** **Lesson 5** To describe and complete number patterns. **Year 2** **Graphs** **Lesson 5** To interpret data from scaled pictograms and block diagrams.

Reading: **Books from home Serial Mash Books For Topics Twinkl**	**Class One and the Winter Walk** Chapter 1 (Purple Mash: Serial Mash: Diamonds) Chapter One Jigsaw (2Do set) OR Chapter 1: quiz (2Do set)	**Class One and the Winter Walk** Chapter 2 (Purple Mash: Serial Mash: Diamonds) Missing Words (2Do set) OR Chapter 2: quiz (2Do set)	**Class One and the Winter Walk** Chapter 3 (Purple Mash: Serial Mash: Diamonds) Grouping (2Do set) OR Chapter 3: quiz (2Do set)	**Class One and the Winter Walk** Chapter 4 (Purple Mash: Serial Mash: Diamonds) Paint Project (2Do set) OR Chapter 4: quiz (2Do set)	**Class One and the Winter Walk** Chapter 5 (Purple Mash: Serial Mash: Diamonds) Sequencing (2Do set) OR Chapter 5: quiz (2Do set)
Topic & Other Activities **School Website Resources & Videos BBC Bitesize Oak Academy**	**Geography** www.thenational.academy **Key stage 1 Geography.** Lesson 2-What can you find in the United Kingdom? In this lesson the children will learn about some of the famous features from the four different countries within the UK. They will learn about both natural features and human features such as capital cities. **Extension-** Use the worksheet provided and label the four countries in the Uk and their capital cities. Colour the map.	**Science** www.thenational.academy **Key stage 1 Science** Lesson 1-What do we know about the weather? In this lesson, the children will learn about the four seasons and the weather. They will observe the weather outside and record their findings. **Extension-** Watch the weather forecast on the TV. Can you record the daily temperature? What is the weather like in Birmingham?	**Science** www.thenational.academy **Key stage 1 Science** Lesson 2- How does the weather change across the seasons? In this lesson the children will look at understanding how the weather changes across seasons. They will also learn about the different types of weather. **Extension-** Use the worksheet provided and draw and label a picture for each of the 4 seasons. Maybe see if you can find out which months fit with each season. /	**Music** www.thenational.academy **Key stage 1 Music-Pulse** Lesson 2-Creating simple patterns. In this lesson, the children will be learning how to use their body to show pulse in different ways and how to match the rhythm pattern to the pulse. **Extension-** Listen and learn a season song. https://www.youtube.com/watch?v=8ZjpI6fqYSY	**Design and Technology** **Moving pictures.** Children will learn that simple levers and sliding mechanisms can be used to create movement. If possible discuss/ show your child a collection of books, cards and other products that have moving parts. *What does the moving part do? How does it work? What effect does it have? …*  Demonstrate how to make simple sliding mechanisms and lever mechanisms using card strips and paper fasteners.

					Ask your child to make a moving weather related picture eg. A cloud moving across the sky, the wind blowing something, the sun rising, people walking in the rain etc. Allow them to explore and then evaluate if the picture does actually move and how they could improve it next time.

Hello parents and children in Rowan, Willow and Elm.

Here are your daily suggestions for Reading, Writing, Maths, Topic, PE and a story at the end of the day. You can do them in which ever order you like and, as has always been the case, we don't expect you to be doing it all.

So you can dip in and out, pick other activities or use your own resources if you prefer. But for those of you who want to you can follow this every day to the letter!

Have a great week and stay safe!
