April Rain Song by Langston Hughes

Let the rain kiss you
Let the rain beat upon your head with silver liquid drops
Let the rain sing you a lullaby
The rain makes still pools on the sidewalk
The rain makes running pools in the gutter
The rain plays a little sleep song on our roof at night
And I love the rain.

Rain by Robert Louis Stevenson

The rain is raining all around,
It falls on field and tree,
It rains on the umbrellas here,
And on the ships at sea.

Duck Weather by Shirley Hughes

Splishing, splashing in the rain,
Up the street and back again,
Stomping, stamping through the flood,
We don't mind a bit of mud.
Running pavements, gutters flowing,
All the cars with wipers going,
We don't care about the weather,
Tramping hand in hand together.
We don't mind a damp wet day,
Sloshing puddles all the way,
Splishing, splashing in the rain,
Up the street and back again.
