Writing a Wintery Poem

This poem describes something using verbs without saying what it is until the end.

I Am...

High twirling,

Sky swirling,

Smile lifting,

Gently drifting,

White glittering,

Softly skittering,

Slow falling,

Ground sprawling,

Coat clinging,

Cheek stinging,

Boot crunching,

Hand scrunching,

Land quilting,

Soon melting...

I am snow.

Try writing your own snow poem in the same way. Here are some nouns which you could use to begin each line with.

feet	finger	nose	glove
face	feelings	bench	tree
