June 2022

Dear Candidate,

Thank you for your interest in our school.

The Governors at Water Orton Primary School are seeking to appoint an experienced and well-qualified learning mentor to join our team. **The successful candidate will work for part of the week in the classroom as a teaching assistant and for part of the week as a learning mentor.**

The role is a permanent one with the successful candidate working 26 hours per week term time only.

Total salary is approximately £12,787 - £13,966 (pro rata and negotiable based on experience and qualifications)

For us it is about finding the right person to join our team. We are very interested to hear about your interests, strengths and talents as well as your experience working as a teaching assistant and learning mentor.

The successful candidate will have a secure knowledge and understanding of the National Curriculum and learning support interventions, in particular, in relation to pupil well-being and social and emotional development.

They will be patient, kind, fun, have high expectations and be able to forge good relationships with pupils and colleagues. The children's needs and well-being must be at the heart of their practice. They will work effectively as part of a team, with excellent communication skills.

We offer a dedicated and enthusiastic team of staff and Governors and supportive parents in a caring and happy environment where all are valued and achievement is celebrated. The children are delightful and want support staff who are fun and energetic. We are building strong links with the local community and schools, and have a commitment to professional development.

Our school offers a team of supportive colleagues who work collaboratively with one another with the best interests of the children always at heart. We care not only for the children but also for our whole staff team. We support one another professionally – with lots of opportunities for staff development as well as promoting well-being for all.

Water Orton Primary School has a Resourced Provision for children with communication and interaction difficulties and although the advertised role is not in the provision, the link does provide further opportunities for professional development and experience.

Informal visits to the school are welcomed and encouraged. Please contact the school office on admin2618@welearn365.com to make an appointment.

Please email your application to: smith.e1@welearn365.com **by 9am on Friday 17th June 2022** and we will be in touch, to invite successful candidates to interview (planned for Friday 24th June).

Many thanks and good luck.

Yours sincerely,

Emma Smith

Water Orton Primary School is committed to safeguarding and promoting the welfare of children, young people and adults and expects all staff and volunteers to share this commitment. This post is subject to an enhanced DBS disclosure.
