VACANCY FOR HLTA / INTERVENTION MANAGER – for September 2022

Dear Candidate,

Thank you for expressing an interest in the post of Intervention Manager at Water Orton Primary School.

The successful HLTA will play a major role in the provision for our vulnerable pupils and those with Special Educational Needs, having a significant impact on the quality of educational opportunities, working with staff, pupils, parents and the wider community. The role offers the successful candidate the opportunity to work in our small SEND team to impact learning and progress, with some leadership responsibility and the chance to make a significant contribution to the smooth running and operation of the school.

The role is vital to the school as the successful candidate will provide the link between children, their families and the support they receive in school and from external agencies. Some prior knowledge and experience of working closely and successfully with families and with external agencies is desirable, but first and foremost we are looking for a person who is willing to learn and who demonstrates the commitment to developing inclusion and improving outcomes for all pupils in our school.

This will undoubtedly be a challenging yet rewarding position, offering you the chance to have a great impact on our pupils.

If you have the skills required and are interested in joining our happy and supportive school graded 'Good' in all areas in our last Ofsted and if you feel inspired by the challenge, then we would like to hear from you.

Informal visits to the school are welcomed and encouraged. Please contact the school to make an appointment.

Please email your application to: smith.e1@welearn365.com **by 9am on Monday 16th May 2022** and we will be in touch, to invite successful candidates to interview (planned for the week beginning Monday 23rd May 2022)

Many thanks and good luck.

Yours sincerely,

Emma Smith

Acting Headteacher
