

Autumn 2 2023
Year 1 and 2 TOYS

HOMEWORK BINGO

Read a range of Stories about toys. Can you find any that are about toys getting lost? Take a photograph of you enjoying the books.	Make up your own story about a lost toy.	Complete the spelling or phonics activity for your child's year from the homework book.	**Year 1:** Learn the next 10 of the year 1 common exception words from the list. Write the ones you have learnt in your homework book. **Year 2:** Learn the next 10 of the common exception words from the year 2 list. Write the ones you have learnt in sentences in your homework book.
Complete the maths activity for your child's year from the homework book. For this half term this is about time.	Make a book about moving toys. Think about how they move; wheels, clockwork or batteries?	Year 1: Learn (or practice) all the number bonds to 10 and then to 20. Year 2: Learn (or practice) the number bonds to 20 and 100.	Play a board game and talk about who comes 1st 2nd and 3rd.
Draw a picture or take a photograph and write about your favourite toy.	Ask parents and grandparents what toys they played with when they were little. Write a list or draw and label them.	Make a timeline of photographs of toys from the past to nowadays. What were the very oldest toys?	Make your own toy. You could make a rocket, a car, a board game or even sew a teddy bear?

Here is this half term's homework bingo. The idea is that you and your child can choose which of the homework ideas above to complete each week. We have tried to include a range of ideas, including some traditional structured pieces of work (which are in the homework book) and some more practical and creative ideas.

Please choose one activity per week to complete at home and return it to school each Wednesday, along with your child's homework book. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above. You might even like to treat the grid like a game of Bingo and try to complete full lines or even a full house!

Alongside the above homework please do read regularly with your child at home. Please record this reading in the reading diary. In all classes we would like children put their reading books into the class book basket, with their reading diary when they have finished and need to change their books. Library books are changed once a week (Maple on Wednesday, Larch on Thursday and Willow on Friday). Please have the previous week's library book and reading diary sent in with your child to return the old/record the new book. Please note – your child may keep their library book longer than a week if they want to however they can still enjoy time in the library.
