Here is this half term's homework bingo. The idea is that you and your child can choose which of the homework ideas above to complete each week. We have tried to include a range of ideas, including some traditional structured pieces of work (which are in the homework book) and some more practical and creative ideas.

Please choose one activity per week to complete at home and return it to school each Wednesday, along with your child's homework book. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above. You might even like to treat the grid like a game of Bingo and try to complete full lines or even a full house!

Alongside the above homework please do read regularly with your child at home. Please record this reading in the reading diary. Many thanks ☺
