Here is this half term's homework bingo.

Please choose one activity per week to complete at home and return it to school each Wednesday, along with your child's homework book. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above.

Alongside the above homework please do **read regularly with your child** at home and **practise reading and writing common exception words weekly**. We recommend a *minimum of three times a week for reading*. This reading can be the home reader, library book or any other reading material that inspires your child to read.

Year 2: It is essential that children also practise 2, 5, 10 (and 3) times tables each week in addition to the other tasks. This can be done in several ways: writing/drawing out in the homework book, using apparatus, rote fashion, singing a times tables song, download worksheets or posters.
