Here is this half term's homework bingo. Can you complete at least 5 activities off the grid by the time we finish for the Summer Holidays?

Please choose one activity per week to complete at home and **return it to school each Wednesday**. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above.

Alongside the above homework please do **read regularly with your child** at home and record in the reading diary. We recommend a *minimum of three times a week for reading.*
