Draw a picture of your favourite toy and write some words/sentences to describe it. Use your phonics knowledge to write your sentences remembering capital letters, full stops and finger spaces.

Go on an Autumn walk and collect some autumnal objects. Sort these objects into different groups i.e. group by colour, group by shape, group by texture.

Practise your number bonds to 10 with a grown up. Use 10 objects to help you if needed.

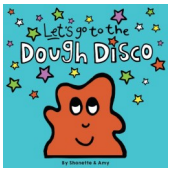

Science

Draw a picture of a flowering plant or tree and label the different parts. Can you challenge yourself and remember their jobs too?
