Year 1 Spring 1 Homework

Please find below some activities linked to different areas of the curriculum that we have covered or will be covering over the next half term.

History

This half term, we will learn about different types of houses. Can you complete a walk of your local area and spot any of the different types of houses?

Geography

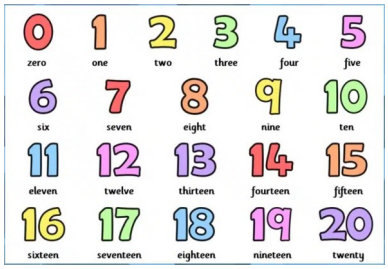

In our Geography lessons, we will using our map skills to find a number of locations. Can you create your own map, hide some treasure and ask a parent/friend to follow your map and see if it works?

Maths

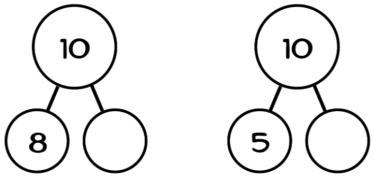

Can you practise writing your numbers to 20 in words?

Ask a grown up to check your have spelt them correctly.

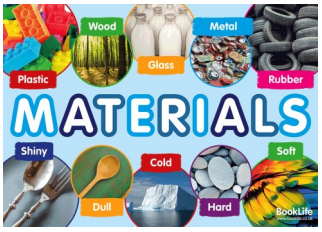

Maths

Practise your number bonds to 10 with a grown up. Use 10 objects to help you if needed.

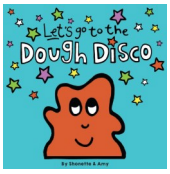

Science

Can you create a poster to showcase your learning about materials; wood, glass, metal and rock? Draw pictures and add labels too!

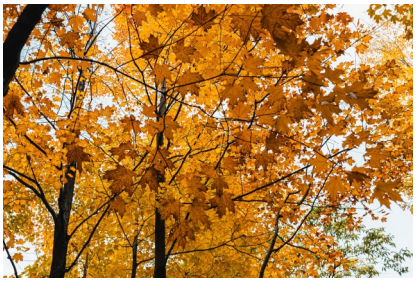

Fine motor

Create your own playdough and use it to complete some dough disco moves! Use the dough disco videos on YouTube to practise and strengthen your hands.

Science

On your Spring walk, identify which trees are deciduous and which are evergreen. Explain to your grown up how you know!

Literacy

Can you practise spelling the days of the week and months of the year correctly?

Monday	January
Tuesday	February
Wednesday	March
Thursday	April

Science

Collect a number of objects from around your house and make a prediction as to whether they will sink or float. Complete your experiment and check your predictions!
