

Autumn 1 2021
Year 1 and 2: Growing

HOMEWORK BINGO

Read a range of Traditional Tales. Can you find lots of versions of the same one? Take a photograph of you enjoying the book.	Learn to say your own address and write it in your homework book.	Complete the spelling or phonics activity for your child's year from the homework book: **Wordsearch** – find the common exception words from the list.	**Year 1:** Learn 10 of the year 1 common exception words from the list. **Year 2:** Learn 10 of the common exception words from the year 2 list. **Write some common exception words that you have learnt in sentences in your book.**
Complete the maths homework activity for your child's year from the homework book (number bonds). You can complete one section at a time over a few days.	Write a recipe for your favourite healthy meal. Work out how much it would cost to buy all the ingredients and time how long it takes to prepare and cook.	**Year 1:** Learn all the number bonds to 10 and then to 20. **Year 2:** Learn the 2 times tables. Write them on a blank page in your book.	Use an atlas, globe or an online map to find out some of the countries in the world. Are they close to the UK or far away?
Go for a walk around the neighborhood you live in. Make a simple map, plot the route and mark on key features like post-boxes, shops and playgrounds.	Draw and label a picture of your own house from the outside. Think about the materials that have been used to make your house.	Make a timeline of photographs of pictures to show how you have changed since you were a baby.	Write a postcard to Barnaby Bear. Tell him all about somewhere you have visited or about the place you live. (Template in the homework book).

This is the half term's homework for year 1 and 2. It is called homework bingo. **Any worksheets required are already in this book ready for the whole half term.**

The idea is that you and your child can choose which of the homework ideas above to complete each week. There is a range of ideas, including some structured pieces of work and some more practical and creative ideas. Some tasks have a worksheet (stuck in the book), some can be written on a blank page in the book and some are practical. With these tasks, parents could stick in a photo or write a brief comment to explain as evidence of the work if they wish.

Please choose one activity per week to complete at home and return it to school each **Wednesday** in the homework book (if applicable) to be checked by staff. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above. You might even like to treat the grid like a game of Bingo and try to complete full lines or even a full house! **The teachers will send the book back home on a Friday** ready for the next task to be chosen and completed.

Alongside the above homework please do read regularly with your child at home (using the school reader, any other book or online). Please record this reading in the reading diary. Enclosed is a question sheet **for you to keep** to help support your discussions at home. This is also on the website. In all classes we would like children to bring their reading books & diary into class when it needs changing (unless using the Big Cat e-books). Teachers and class teaching assistants will help children to manage this in the early weeks when settling in.
