

Spring 1 2022
Year 1 and 2 Can't You Sleep Little Bear?
HOMEWORK BINGO

Visit the library and see if you can find some more 'Little Bear' stories or other books by Martin Waddell. Write a book review about your favourite – he has written lots and lots!	Make up your own story about Little Bear.	Complete the English punctuation activity for your child's year from the homework book.	**Year 1:** Learn the year 1 common exception words from the list. Write the ones you have learnt in your homework book. **Year 2:** Learn the common exception words from the year 2 list. Write the ones you have learnt in sentences in your homework book.
Complete the Maths doubling (and halving) activity for your child's year from the homework book. Use practical equipment to practice first if required.	Go for a walk on a sunny day. Write about or draw the shadows you see.	Year 1: Learn (or practice) all the number bonds to 10 and then to 20. Year 2: Learn (or practise) the 2 5 and 10 times tables	Make a poster about different sources of light
Make an observational drawing of what you can see through a window.	Use the internet to find out information about the moon, sun or planets in our solar system.	Find some objects at home that weigh more than a kg. Find some that weigh less. Make a list.	Use the internet to look at other painting by Van Gogh.. Have a go at creating your own version of your favourite.

Here is this half term's homework bingo. The idea is that you and your child can choose which of the homework ideas above to complete each week. We have tried to include a range of ideas, including some traditional structured pieces of work (which are in the homework book) and some more practical and creative ideas.

Please choose one activity per week to complete at home and **return it to school each Wednesday,** in this homework book. Of course, if you and your child would like to, you can complete more than one activity choice each week. Each time you complete an activity you can cross it off the grid above. You might even like to treat the grid like a game of Bingo and try to complete full lines or even a full house!

Alongside the above homework please do read regularly with your child at home. Please record this reading in the reading diary. Continue to use the parent advice sheet to help support your discussions at home (sent home in September and available on the school website). In all classes we would like children put their reading books into the class book basket, with their reading diary when they have finished and need to change their books. Teachers and class teaching assistants will help children to manage this in the early weeks when settling in.

Please ensure that your child's diary is in school every day and encourage them to take it out of their bag and bring into the classroom even when they don't need the books changing.
