Year 2
Summer Homework

Please find below some activities linked to different areas of the curriculum that we have covered or will be covering over the next half term.

History Have a go at hosting your own Punch and Judy Show at home. 	**ART** Collect lots of pictures to do with the seaside and make your own collage. 	**Science** Build your own home for a minibeast. Use a box or cut up a plastic bottle and fill with grass and moss from the garden to attract minibeasts. 
Maths Test your child on their knowledge of time for o'clock, half past quarter past and quarter to. 	**Literacy** Try writing some instructions for your favourite game at home. 	**Computing** Have a go at recording a song you like to hum or sing on your tablet or ipad. Play it back or listen to a piece of music and describe how it makes you feel. 
Literacy Bring your favourite story about animals or with animal characters in to school and share it with the class. 	**PSHE** Related to our topic about relationships, can you express your appreciation for the people in your special relationships? Perhaps make them a card to say thank you. 	**Maths** Have a go at directing a family member around the house. Use the vocabulary we have learnt in maths about direction. (Forwards backwards left and right)
