

Year 1 and 2 Homework Bingo

Summer 1 2023 The Seaside

Year 1 Practise: Number bonds to 10, 20 and 100.	Combine our work on castles and the seaside. Draw the best sandcastle that you can imagine!	Find and read some more stories about the seaside. Read other books by David Weisner	Year 2 Continue to learn: Addition and subtraction with two 2 digit numbers
Design your own ice cream flavour. The crazier the better!	Finding and marking famous seaside towns on a UK or world map.	Create your own under the sea picture	Paint or draw a picture of the seaside.
Research what seaside holidays were like in the past using the internet or talking to a family member.	Watch some films that are set at the seaside or under the sea e.g. The Little Mermaid The Water Babies The Snail and the Whale	Write a story or poem about a journey to the seaside	Go on the internet and play hit the button. Year 1- number bonds (addition within 10 and make 10). Year 2- times tables (2x, 5x and 10x).
Phonics - learn to recognise, read, say and write phase 3 and 5 graphemes taught so far. Learn to spell words with the graphemes in. Look at different ways to write the same sound (e.g. oa - oe, ow, ou, o_e and words with these graphemes).			
Common exception words - learn to read, spell and write in sentences the common exception words.			

Here is this half term's homework bingo. The idea is that you and your child can choose which of the homework ideas above to complete each week. We have tried to include a range of ideas, which are mostly practical and creative, that will complement the work planned for in school and remote learning. Mostly we have tried to provide some extra things to do with minimum input required by adults at home!

Please choose activities as required. You are welcome to send evidence of your child's homework to your class teacher via e mail but please don't send the work back to school. Each time you complete an activity you can cross it off the grid above. You might even like to treat the grid like a game of Bingo and try to complete full lines or even a full house!

Alongside the above homework please do read regularly with your child at home. Please record this reading in the reading diary.
