Year 2 Spring Homework

Please find below some activities linked to different areas of the curriculum that we have covered or will be covering over the next term.

Computing/History With a grown up, use the internet and/or books to find out castles. 	**Science** Create a weather chart and make note of the weather over the space of a week. What do you notice? 	**Maths** Practise your 2, 5 and 10 times tables with a grown up. 	**Science** Use an information book to find out about hot and cold climates around the world. Can you find out which animals live there and why? 
History Make a poster of a castle and add labels. Can you 	**Maths** Go on a walk around the village and make a note of different house numbers (up to 100). Can you write these numbers in words spelling them correctly? 	**English** Write a recount of something you did over the Christmas holidays. Use words like First, Next, After that at the beginning of your sentences. 	**Maths** Go on a shape hunt around your local area and search for 2d and 3d shapes. Can you name these shapes and can you describe them? 
English Can you write a script for a weather report? Record yourself on a camera reading this script and delivering the weather updates to a friend or family member. 	**DT** Create a moving picture card. You could make one for Valentines Day for someone you love! 	**Maths** Find some coins and put them in order from the smallest to the greatest amount. 	**Art** Paint or draw a picture of a castle. Can you use different media to create your picture i.e paint and charcoal 
Maths Go shopping – use some coins to pay and count how much change you get. 	**English** Can you write your own story with a beginning, middle and end? Use de-scriptive language to make your story interesting!	**Geography** Use an online atlas to locate and name the 7 continents and 5 oceans. 	**History** Research William the conqueror and create a fact file all about him.
