

Year 3/4 Summer

Rainforests

<u>Research Skills (Science)</u> Can you find three interesting facts about the strawberry poison dart frog? 	<u>English Skills</u> What is deforestation? Find out and write about how it affects people, animals and plants. 	<u>Creative Skills</u> Create 'animal tracks' by drawing, printing or making imprints in mud. 	<u>Mathematical Skills</u> Create a bar graph comparing the average rainfall in your area to that of the rainforests. 
<u>Creative Skills</u> Look round your house. How many items can you list that are made from wood? 	<u>Geographical Skills</u> Find out about the number and names of the countries that the Amazon rainforest runs across. 	<u>Research</u> Rainforests are home to some of the most unusual plants in the world. Can you find out what some of these plants are? 	<u>English Skills</u> Research and write about some of the tribes that live in rainforests. 
<u>Mathematical Skills</u> X marks the spot! Create a treasure map within the rainforest. You could also plot the coordinates for an area in the rainforest where you may find animals. 	<u>Research</u> Can you locate the rainforests on a globe, a map or online? 	<u>English Skills</u> Imagine you're in a rainforest! Thinking about the 5 senses, write a paragraph to describe your experiences 	<u>Creative Skills</u> Create a picture or collage of exotic birds or animals that live in rainforests. 
<u>Research</u> Find out what products palm oil is in and the effect this is having on the rainforests. 	<u>Geography Skills</u> Visit a temperate forest in this country. How is it different from a rainforest? 	<u>Research</u> Learn about the different layers of the rainforest. Make a poster to show what each section is. 	<u>Creative Skills</u> Find out what foods are grown in the rainforest. Try some of them and write a review.
