

# Reception Remote Learning Opportunities - Tuesday 2<sup>nd</sup> May

## Phonics

Today's focus for Phonics is read and write CCCVC words. An overview of the lesson is attached in the learning pack and in your child's diary.

## Reading for pleasure

Encourage your child to choose two different books they have at home and retell the story to you. There are also more books available on Collin EBook Library. New books have been uploaded to your child's account.

## Literacy

Pretend you're Jack from *Jack and the Beanstalk*, and attempt to write a letter to the wizard asking for magical beans. Remember to use your phonological knowledge to help you.

## Maths

\*Resource is in a separate document titled - Tuesday 2<sup>nd</sup> May Reception Maths activity\*

This week in Maths, we are looking at Shapes! We will be expanding our spatial awareness by recognising what happens to shapes when we manipulate them. Our activity today, is a puzzle. We need to cut the shapes out and work out how to build the animal puzzles by rotating the shapes.

## Understanding the world

Discuss the life cycle of a plant with your families. In your resource pack cut and order the pictures of a bean.

## Physical Education

Here are some YouTube links to movement breaks and physical activities your child may enjoy.

## Reception Remote Learning Opportunities - Thursday 16th March

### Phonics

Today's focus is longer words! Look in your child's learning pack for the overview of the lesson. Encourage your child to read the New Words. To extend this encourage them to sound button the words, this show the understanding of the different graphemes.

### Reading for pleasure

Encourage your child to choose two different books they have at home and retell the story to you. There are also more books available on Collin EBook Library.

### Literacy

In your learning pack, there are some pictures. Try and write a sentence about the picture, some may be linked to our Phonics scheme. Use the Grapheme mat to help you.

### Maths/ Understand the world

Cut and stick activity - complete the repeating pattern worksheet, identify which 3D shapes comes next in the pattern. Alternatively, go on shape hunt in the local environment. Try and identify what shapes you see.

### Physical Education

Here are some YouTube links to movement breaks and physical activities your child may enjoy.
