

Reception Remote Learning Opportunities

Wednesday 1st March

Phonics

Today's focus is Double Letters! Look in your child's learning pack for the overview of the lesson. Encourage your child to read the New Words. To extend this encourage them to sound button the words, this show the understanding of the different graphemes.

Reading for pleasure

Encourage your child to choose two different books they have at home and retell the story to you. There are also more books available on Collin EBook Library.

Literacy/ Writing

This half term, our topic and our focus is water! Today, we would like you to write a simple fact about water. Remember to use your phonics to help you write. We would love to see pictures of these ☺

Maths

This week in Maths this week, we are extending our number knowledge of numbers up to 10. Using different items from your household, can you make a simple numberline and represent each number. This could also be completed outdoors.

Outdoor learning (links with Understanding the World)

Go out in your local area and look around for any water sources. To extend this you could use the internet, with some help from an adult, and research these in more detail.

Physical Education

Here are some YouTube links to movement breaks and physical activities your child may enjoy.
