

Year 3 and 4 Remote Learning Opportunities for 1st February 2023

Science: Which substances do not fit into one state of matter?

As we have been comparing states of matter, and how particles behave in each state, we will now look at substances that do not fit precisely into one state.

RE: Hinduism

We have looked at some Hindu beliefs but have not yet investigated how this religion began and how it developed over the years. Find out in this lesson.

Geography: Rivers

We have looked at floods in our English story writing lessons and have begun to find out what the structure of a river looks like. In this lesson, we will look at what happens to a river when it floods and how this could be prevented.

Reading: Reading for pleasure

As part of our reading, we are thinking about the types of books that we like to read, finding out about different genres. This lesson will look more closely at the books you like personally and how to keep a log of the things you read.
