

Maths

<https://classroom.thenational.academy/lessons/to-recognise-and-add-equal-groups-cgr68d?activity=video&step=1>

Watch the video.

First look around your home. Collect some objects to make and add equal groups.

Next draw what you have added (you can use a part / whole diagram).

Then write the number sentence.

Don't forget to say what you are doing, here are some stem sentences:

There are ___ objects in each set.

There are ___ sets.

There are ___ equal groups of ___.

There are ___ objects altogether.

English

Talk about a holiday / day out that you have been on.

Where did you go?

Who did you go with?

How did you get there?

What did you do there? What did you see?

Did you like / dislike it?

<https://classroom.thenational.academy/lessons/to-use-the-past-tense-69k30d>

Watch the Oak Academy lesson on writing a diary in past tense and then write your own diary entry about your trip. You can add photos, drawings or even items from your trip. Remember to write in past tense.

Geography

Why are our oceans important?

<https://classroom.thenational.academy/lessons/why-are-our-oceans-important-cdj6cr>

Watch the lesson and make a booklet about why our oceans are important. Next fill in the missing words in the sentences and draw pictures to show why we should look after our oceans.
