Reception home timetable - week 2

Story of the week – Handa's Surprise

Animated film version of the story https://www.youtube.com/watch?v=ocnRQi89nK8

	Monday	Tuesday	Wednesday	Thursday	Friday
Phonics and Literacy	Literacy and Phonics Teacher led activity on Teams. Today's Grapheme: TBC Time and date: 9:30 am daily Mon – Fri. Invitations are sent through each child's welearn account. Reading opportunities – attempt to read the nonsense words in your pack. Literacy activity – using the matching sheet from pack 2. Match the animal to the piece of fruit they took from Handa's basket. Resources – matching sheet from pack 2, pencil.	Literacy and Phonics Teacher led activity on Teams. Today's Grapheme: TBC Time and date: 9:30 am daily Mon – Fri. Invitations are sent through each child's welearn account. Reading opportunities – attempt to read the nonsense words in your pack. Literacy activity (linked to today's topic lesson) – Create your own fruit basket and try and segment the names of the fruit.	Literacy and Phonics Teacher led activity on Teams. Today's Grapheme: TBC Time and date: 9:30 am daily Mon – Fri. Invitations are sent through each child's welearn account. Reading opportunities – attempt to read the nonsense words in your pack. Literacy activity – compare how you and Handa are different.	Literacy and Phonics Teacher led activity on Teams. Today's Grapheme: TBC Time and date: 9:30am daily Mon – Fri. Invitations are sent through each child's welearn account. Reading opportunities – attempt to read the nonsense words in your pack. Literacy activity – describe where Handa lives. Is it different to Water Orton?	Literacy and Phonics Teacher led activity on Teams. Today's Grapheme: TBC Time and date: 9:30am daily Mon – Fri. Invitations are sent through each child's welearn account. Reading opportunities – attempt to read the nonsense words in your pack. Literacy - get a family member to record yourself making a weather report of today's weather.
Numeracy	Look at real 1p, 2p, 5p and 10p coins. Sort out the coins into sets. Put all of the 1p coins in a line and count how many you have got. Make your own fruit / veg shop (link to the story). Collect pieces of fruit / veg that you have at home, or use plastic ones if you have them. Label the items or make a price list (prices up to 5p per item). Demonstrate how to buy items form your shop using just 1p coins.	Play in your shop with your child. You could be the shopkeeper and your child could be the customer. Demonstrate how to use 1p coins to buy single items. Ask your child to practise doing this. Now demonstrate how to buy two items using just 1p coins. Add the two sets of 1p coins together to show how much the two items cost altogether. Repeat with other items.	Demonstrate how to count the values of 2p coins by tapping and counting it twice (E.G. three 2p coins would be 1, 2...3, 4...5, 6p altogether, as you tap each twice). Ask your child to use 1p and 2p coins to buy items / make totals. Can they begin to add up the 2p coins in twos (2, 4, 6)? Practise buying items from your shop using 1p and / or 2p coins. Swap roles.	Give your child sets of 1p and 2p coins (up to the value of 10p initially). Ask them to add up the values and tell you the total amount of money in each set. Repeat. Extend above 10p if your child is ready.	Continue playing in your shop, using the 1p and 2p coins to buy items. Challenge your child to choose two items to buy and write the number sentence (E.G. a banana for 2p and an apple for 4p would be written as 2p + 4p = 6p) Repeat with other prices. Can they use 1p, 2p and 5p coins to make the total?
Reading	Oxford owl – using your child's login (front page of	Oxford owl – using your child's login (front page of their	Oxford owl – using your child's login (front page of	Oxford owl – using your child's login (front page of	Oxford owl – using your child's login (front page of their reading

Topic	**Geography** Research the county, Africa. Find out what different foods grow there.	**Art** Make your own fruit basket with fruits you have in your house. You could either draw the fruits or paint them. Be as creative as you like!	**DT** Make a fruit salad. Use a knife to chop the fruits. Can you use a peeler carefully to peel the skin off some fruits? Add orange or apple juice. Draw a picture of the fruits you used and label them using your phonics.	**Music / Dance** Listen to music from Africa. Can you make up an African dance to go with the music? Film it and send it to your teacher.	**Geography** Look at clips on YouTube showing African animals. How are they suited to living in the hot African desert (colour / fur type / speed / food, etc)? How are these animals similar / different to typical wild animals found in the UK?
PE	Here are some YouTube links of different workout videos you may like to take part in. If you do not want to take part in these workout videos, maybe go for a walk around the Village. You may want to do some gymnastics or throwing and catching. We cannot wait to see what you get up to this week. https://www.youtube.com/watch?v=5ifL_cjO5nxo https://www.youtube.com/watch?v=sHd2s_saYsQ https://www.youtube.com/watch?v=QphRMalB_LM				
Story time	Pick a story to have read to by a member of your family. This could be at any time of the day. You can find most books on YouTube, however here are some useful links for websites with free access to books. https://magicblox.com/ https://www.bookbotkids.com/free-books-for-kids https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/				
Finger gym	Focusing on your fine motor skill, practise picking up different size items around your house using a pinching method. You could try putting an elastic band around your thumb and first two fingers to add resistance. Can you use your left and right hands at the same time?				

Hello Reception,

Here are your weekly suggestions for Phonics and Literacy, Numeracy, Reading, Topic, PE and a story at the end of the day. You can do them in which ever order you like. We do not expect you to be doing it all. So you can dip in and out, pick other activities or use your own resources if you prefer. Please feel free to contact us via email.

Have a great week and stay safe!
