Online Safety Competition 2021
Warwickshire Primary Schools

An internet we trust
Exploring reliability in the online world

Safer Internet Day 2021 challenge
Key Stage 1

Your teacher will read the latest Detective Digiduck book to you (written by one of our judges, Lindsay Buck).

Your challenge is to write another part for the story, where Detective Digiduck learns about a new animal. You need to:

- choose and draw a new animal
- decide what Detective Digiduck learns about the new animal online and write it down
- show or explain how he makes sure he knows if the information is true or false

You can present your entry in any way you like; your teacher will explain. There is a fantastic Lego Educational prize for the winning school AND **Lindsay Buck** will read the **Detective Digiduck** story virtually just for your key stage 1 group/class.

You will give your entry to your teacher who will arrange to pick the best one by Friday, 12th February 2021. The best entry from your school will be emailed to the judges and the winning entry will be posted online on Friday 19th March 2021 at 11am.

Good Luck!
