

Proposed Timetable for HAZEL CLASS: 2020-21 (Spring Term) All work will be uploaded to the school website. Challenges are available ☺ You will have two online sessions per day via Microsoft Teams, every morning and afternoon ☺ Please be on time ☺

Week 8	Day 36	Day 37	Day 38	Day 39	N/A
English: Oak Academy School Website Purple Mash Letter Join BBC Bitesize	<u>ENGLISH</u> Structures and Meanings Complete P26&27 of the English section of your paper pack	<u>ENGLISH</u> Themes and Conventions Complete P28&29 of the English section of your paper pack	<u>ENGLISH</u> Comparing Texts Complete P30&31 of the English section of your paper pack	<u>ENGLISH</u> Types of Poetry Complete P32&33 of the English section of your paper pack	
Maths: BBC Bitesize White Rose School Website Oak Academy Purple Mash Mathletics NRich Times Table Rock Stars	<u>MATHS</u> Round decimals with two decimal places to the nearest whole number https://www.youtube.com/watch?v=9ZEUoGutPzM Answer the questions that involve rounding decimals to the nearest whole number after watching the video clip Example - 7.52 rounded to the nearest whole number would be 8. You must look at the number in the tenths column to help you decide whether to round up or down. In this example, it was a 5, so I rounded the 7 ones up to 8 ones ☺	<u>MATHS</u> Round decimals with two decimal places to one decimal place https://www.youtube.com/watch?v=m41qWPjSUdw - this video will explain how to round to the nearest whole numbers as well as tenths and hundredths Answer the 'Frisbee Throwing' questions involving rounding to one decimal place. There are some additional activities (optional) related to Frisbee throwing that you might want to have a go at when you have finished the maths questions 	<u>MATHS</u> Solve problems involving numbers up to three decimal places (challenging work!) Have a go at the questions. This is supposed to be tricky so do not become too disheartened if you do not find it easy or understand it straight away. Do what you can - you might just surprise yourself! Top tip - remember that, for example, 2 is in fact 2.00000. Also, to find the number that is halfway between two numbers, you need to find the difference between the two numbers, divide that by 2 and add it on to the first number ☺	<u>MATHS</u> Rounding decimals - revision Complete P48&49 of the Maths section of your paper pack

THIRD WEEK USING PAPER PACKS

Hello Hazel Class! Our topic for this term is 'Ancient Greece!' I hope you are enjoying it.

Here is your home learning timetable containing the information you will need for Days 36-39. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. The 'Challenge Work' folder will be available as always.

Feel free to send me your work so I can see how well you have done. You can use your WOP account to send it over or ask your parents if they can send it over. Have a great week everyone!

Miss Thompson ☺

P.S - Try to watch CBBC Newsround every day. There are lots of activities you can do on this website too including quizzes! Enjoy! ☺

IMPORTANT - Remember, your Y5&6 Ancient Greece Homework is now available on the school website. Have you made a start? ☺ Finished pieces of homework should be sent to Miss Thompson via your school email account or your parents can email it if that is easier.

OTHER INFORMATION - DON'T FORGET TIMES TABLE ROCK STARS AND THE NEW ONLINE READING SCHEME ☺ I HAVE SET THREE ANCIENT GREEK BOOKS FOR YOU TO READ ☺
