Hello Hazel Class! Our topic for this term is 'Ancient Greece'! I hope you are enjoying it so far.

Here is your home learning timetable containing the information you will need for Days 21-25. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. The 'Challenge Work' folder will be available as always and other challenges are mentioned above.

Feel free to send me your work so I can see how well you have done. You can use your WOP account to send it over or ask your parents if they can send it over.

Have a great week everyone!

Miss Thompson ☺

P.S – Try to watch CBBC Newsround every day. There are lots of activities you can do on this website too including quizzes! Enjoy! ☺

IMPORTANT – Remember, your Y5&6 Ancient Greece Homework is now available on the school website. Have you made a start? ☺ Finished pieces of homework should be sent to Miss Thompson via your school email account or your parents can email it if that is easier.

OTHER INFORMATION – DON'T FORGET TIMES TABLE ROCK STARS ☺
