

Proposed Timetable for HAZEL CLASS: 2020-21 (Spring Term) All work will be uploaded to the school website. Challenges are available ☺ You will have two online sessions per day via Microsoft Teams, every morning and afternoon ☺ Please be on time ☺

Week 2	Day 11	Day 12	Day 13	Day 14	Day 15
English: Oak Academy School Website Purple Mash Letter Join BBC Bitesize	ENGLISH Looking at a good example (fact file) Look at the fact file example about David Walliams. Read the example (3 star) and identify the following: headings, sub-headings, key facts, topical language and pictures. Look back at your notes from the previous lesson (god/goddess research) and plan a fact file. Think about the subheadings (and other features) you can use and decide on a layout.	ENGLISH Writing a good introduction for your fact file Look back at the introduction paragraph on the David Walliams fact file. Write your own good-quality introduction for your fact file. Remember, this must be about the god you chose to research.	ENGLISH Writing the rest of your fact file Use your research/notes and plan to help write the rest of your factfile about your chosen Greek god/goddess. <i>Challenge: include a glossary</i> 	ENGLISH An introduction to myths Read the story of Orpheus and Eurydice. This story is a myth - myths usually have a main character (hero), a quest, a challenge set by a god and a mythical beast. Watch the following three videos to give yourself a better idea about Greek myths... https://www.youtube.com/watch?v=JWdy2EGjJ9E https://www.youtube.com/watch?v=rNk-zV2T7bI https://www.youtube.com/watch?v=xQuAUBX5xBw	ENGLISH Plan your own myth Using the Greek Myth Story Dice, plan your own myth. A storyboard is a good tool to use when planning a story so it will work for myths. Choose your setting, main character, mythical beast and Greek god/goddess. Remember, every good myth will feature a challenge set by god/a 'quest'.
Maths: BBC Bitesize White Rose School Website Oak Academy Purple Mash Mathletics NRich Times Table Rock Stars	MATHS Finding the mean/average Watch the video clip then complete the activity sheet, choosing your own difficulty level. You may need to do a bit of additional research if you choose one of the harder sheets. It is supposed to be tricky! Remember to self-mark to see how you did. https://www.youtube.com/watch?v=7Zni81m_7wM	MATHS Mean, median, mode and range Begin by looking at the help poster and watching the video - https://www.youtube.com/watch?v=A1mQ9kD-i9I Then, complete the 'mode, mean and range of winter weather' activity and then self-mark your answers.	MATHS Pie charts Watch the video about pie charts - https://www.youtube.com/watch?v=Ruc9n6ho3l4 Answer the questions about the various pie charts. There are lots of sheets to choose from e.g. favourite animals etc. <i>Challenge - pie chart SATs questions.</i>	MATHS Line graphs Watch the video about line graphs - https://www.youtube.com/watch?v=0WkqfJBfXic Answer the questions about the line graphs. You can choose middle difficulty or higher - no easy option today! You could even do both activities for extra practice ☺	MATHS Arithmetic Complete Core Arithmetic Test 6. <i>If you would like a challenge, complete Extension Arithmetic Test 4 afterwards.</i> <i>If you get stuck on any of the questions, research how to work out the answer ☺</i>

Hello Hazel Class! Our topic for this term is 'Ancient Greece'! I am sure you will find it interesting already.

Here is your home learning timetable containing the information you will need for Days 11-15. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. The 'Challenge Work' folder will be available as always and other challenges are mentioned above.

Feel free to send me your work so I can see how well you have done. You can use your WOP account to send it over or ask your parents if they can send it over.

Have a great week everyone!

Miss Thompson ☺

P.S - Try to watch CBBC Newsround every day. There are lots of activities you can do on this website too including quizzes! Enjoy! ☺

IMPORTANT - Please look out for the new 'Year 5&6 Homework' based on Ancient Greece. This will be sent out to parents soon or uploaded to the website. Keep an eye out for it. You can make a really decent start on it whilst learning at home. The curriculum overview will be released soon too so you know what we will be learning in Spring Term.

PLEASE NOTE - YOU HAVE ALSO BEEN ADDED TO ANOTHER MICROSOFT 'TEAM' - 'BEECH & HAZEL'. This is because there will be occasions where we want both classes to attend the same session, such as PE or other one-off sessions ☺
