Hello Hazel Class! Our new topic for this term is 'Ancient Greece!' I am sure you will find it interesting.

Here is your home learning timetable containing the information you will need for Days 6-10. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. The 'Challenge Work' folder will be available as always and other challenges are mentioned above.

Feel free to send me your work so I can see how well you have done. You can use your WOP account to send it over or ask your parents if they can send it over.

Have a great week everyone!

Miss Thompson ☺

P.S - Try to watch CBBC Newsround every day. There are lots of activities you can do on this website too including quizzes! Enjoy! ☺

IMPORTANT - Please look out for the new 'Year 5&6 Homework' based on Ancient Greece. This will be sent out to parents soon or uploaded to the website. Keep an eye out for it. You can make a really decent start on it whilst learning at home. The curriculum overview will be released soon too so you know what we will be learning in Spring Term.
