Hello Beech Class!

Here is your home learning timetable containing the information you will need for Days 1-5. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. The 'Challenge Work' folder on the website will be updated with more tricky tasks!

We will try to get a paper pack to you at some point – look out for information about this.

Feel free to send me your work so I can see how well you have done. You can use your WOP account to send it over or ask your parents if they can send it over.

Have a great week everyone!

Mr Plow & Mrs Williams ☺

P.S – Try to watch CBBC Newsround every day. There are lots of activities you can do on this website too including quizzes! Enjoy! ☺
