Hello parents and children in Rowan, Willow and Elm.

This is officially the final week of home learning (fingers crossed!) so for one last time, we hope, here are your daily suggestions for Reading, Writing, Maths, Topic, PE and a story at the end of the day. As always, you can do them in which ever order you like and pick out the activities you would like to do each day. So you can dip in and out, pick other activities or use your own resources if you prefer. But for those of you who want to you can follow this every day to the letter!

We have also highlighted the online lessons for each day which will continue to be delivered at 10am and 1.30pm, to the phase, this week. Don't forget about the reading challenge as well and the new online reading scheme: Collins Big Cat e-books too - they will keep your hand in with reading at home and we would like you to continue with the online reading even when you return to school please.

Have a great week and we'll see you all online and then back at school on Monday the 8th! We are all looking forward to seeing everyone again.

Take care,

KS1 Staff
