Maths: **BBC Bitesize** **White Rose** **School Website** **Oak Academy** **Purple Mash** **Mathletics**	**Maths** LO: Make equal parts We begin to understand the concept of a whole as being one object or one quantity. We explore making and recognising equal and unequal parts.	**Maths** LO: Recognise a half We begin to understand that halving is splitting a whole into two equal parts. We will be introduced to the language of numerator, denominator and what these represent. Children must explore halves in different contexts, for example, half of a length, shape or set object.	**Maths** LO: Find a half Children find a half of a set of objects or quantity. Links should be made here to dividing by 2. Children may need to use the concept of sharing to find a half. Paper plates, hoops and containers can be used to share objects into 2 equal groups.	**Maths** LO: Recognise a quarter We extend our knowledge of the whole and halves to recognise quarters of shapes, objects and quantities. We develop our understanding that they are splitting the whole into 4 equal parts and that each part is one quarter.	**Maths** LO: Find a quarter We find quarters of shapes, objects and quantities - physically sharing amounts into four equal groups, or drawing around quantities then move towards working in the abstract. The link between the concrete, pictorial and abstract representations should be made explicit.
	You could also try: • A question from the mastery challenge folder on the school website. • Tasks set on Mathletics. • Practice Times Tables on Times Table Rock Stars.				
Reading: **Serial Mash** **Books For Topics**	This week, we will be reading and answering VIPERS questions on Hope Jones Does Not Eat Meat (part 2). During our online session, on **Wednesday 11-12**, we will read the extract and answer questions. Your child's teacher will continue to allocate reading chapters, questions and activities on Big Cat online. Your login details have been emailed to your welearn email address. Please email your class teacher if there is a problem accessing the site. You may also like to have a look at https://home.oxfordowl.co.uk/reading/ and choose from a wide selection of free Ebooks. If you are looking to extend your home library, check out Books for Topics https://www.booksfortopics.com/ for inspiration. For further recommendations and the opportunity to 'try before you buy' - download the first chapter from a huge selection of titles at Love Reading for Kids https://www.lovereading4kids.co.uk/				
Topic & Other Activities **School Website Resources & Videos**	**Geography** UK rivers Read and Watch the videos on BBC Bitesize https://www.youtube.com/watch?v=lIK3bgjiEEk	**Art** Water Cycle https://www.youtube.com/watch?v=Ijn5r8fKlSQ www.youtube.com/watch?v=qY9HG8zUgOE	**PHSE** Friendship dilemma Read through the scenario then answer the questions	**French** More fun At The Café!
