Hello Hazel Class!

Well done! You have now completed your first week of home learning. I do hope you enjoyed it. It is different but you have all embraced it! ☺

Here is your second home learning timetable containing the information you will need for Days 6-10 (Tues 17th – Mon 23rd November).

You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you. I have also included lots of optional extras and the 'Challenge Work' folder on the website will be updated with more tricky tasks!

Once you have completed the home learning for each day, you could work on some of your Wonders of the World homework tasks that were set at the start of the Autumn Term. On the website alongside the home learning, there will be some activities based on the US Election to try too! Don't forget about your school council speech if you would like to be considered for the role.

Feel free to send me your work so I can see how well you have done. I have really enjoyed seeing some of the work that has been completed so far.

Have a great week everyone! I hope to see you back at school on Tuesday 24th November as planned.

Miss Thompson ☺
