Hello Hazel Class!

Here is your first home learning timetable. You can do your tasks in whichever order you like. You can dip in and out, pick other activities in place of the ones we have suggested, or use your own resources if you prefer. But for those of you who want to, you can follow this every day to the letter - just like when you are at school! It's up to you and the adults at home who are helping you.

Have a great week everyone!

Miss Thompson
