Time your run. **Can you beat it?** Try 10 times to get the best result. Which was quickest? By how much? Can you feel your heart beating afterwards? What is your pulse rate?

Hello Chestnut Class!

Here are your weekly suggestions for Reading, Writing, Maths, Topic, PE and a story at the end of the day. You can do them in which ever order you like and, as has always been the case, we don't expect you to be doing it all. So you can dip in and out, pick other activities or use your own resources if you prefer. But for those of you who want to you can follow this every day to the letter! We will see you at 10 am each day for an English lesson and then you can join us for class story in the afternoon too if you would like to.

Have a great week and stay safe!
