Hello Chestnut Class!

Here are your weekly suggestions for Reading, Writing, Maths, Topic, PE and a story at the end of the day. You can do them in which ever order you like and, as has always been the case, we don't expect you to be doing it all. So you can dip in and out, pick other activities or use your own resources if you prefer. But for those of you who want to you can follow this every day to the letter!

Have a great week and stay safe!
