

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Lisa said that her mum was allergic to fur.

Mark felt confident that they would be able to identify the creature quickly.

Mark told Lisa that her room was incredibly messy.

Lisa's mum let out a great big sneeze.

Lisa's mum asked Lisa and Mark about their day at school.
