

2020 Competitions

The Don Hanson Charitable Foundation is running two competitions to excite students across the UK (see details overleaf)!

Both competitions have the following prize categories for winning students:

1st prize: £500 book vouchers / learning resources
2nd prize: £300 book vouchers / learning resources
3rd prize: £200 book vouchers / learning resources

PLUS the schools of ALL prize winners receive £1,000 each to use towards a field trip or excursion:

Competition entries are to be submitted digitally via our website: www.hansonbox.org (click on the link in the top right and follow submission instructions).

Both competitions will close on December 31st, 2020.

Winners will be announced in January 2021.

We hope that your students enjoy these competitions, and that they stimulate thoughts and discussions in classrooms!

Good Luck!

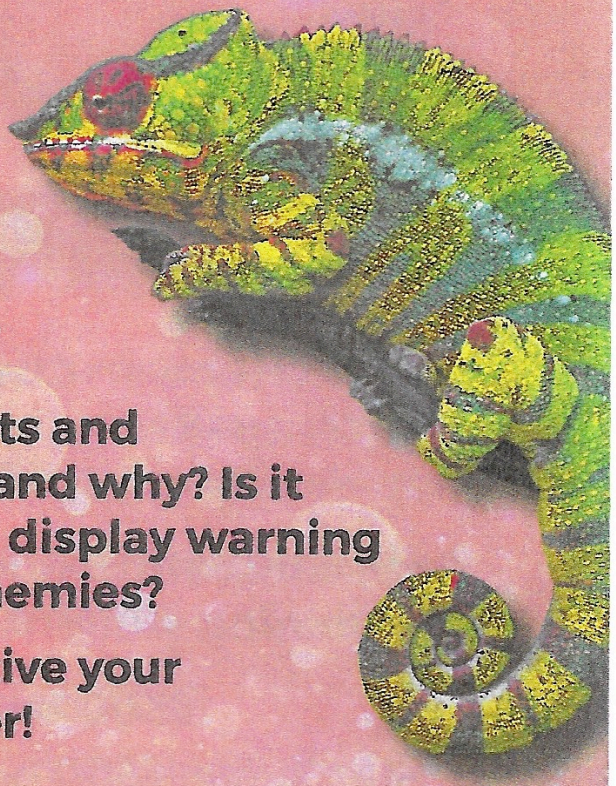

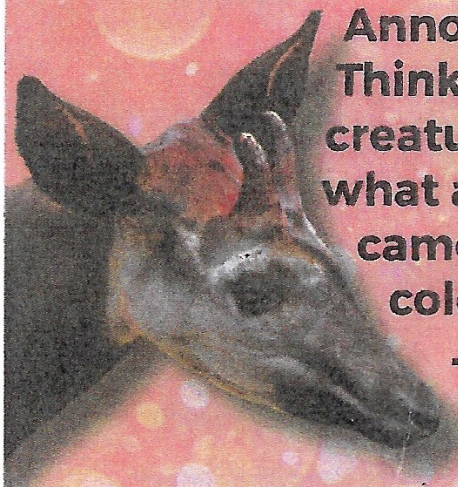

COMPETITION 1: CREATIVE DRAWING

Key Stage 1: students aged 5-7 (school years 1-2)

Examine the unusual animals depicted in the What on Earth? book in your 2020 Hanson Box.

Imagine and draw your own weird and wonderful creature!

Annotate your drawing. Think about where your creature lives, what it eats and what adaptations it has and why? Is it camouflaged or does it display warning colours to scare off enemies?

The more imaginative your drawing, the better!

COMPETITION 2: ESSAY WRITING

Key Stage 2: students aged 7-11 (school years 3-6)

In 500 words: what was the most important invention of the 20th century, and what do you think the most important one of the 21st century might be, and why?

How did your chosen 20th century invention impact human society and the environment? Did it bring any negative side effects? What impacts could your 21st century invention bring?
