

Ancient Greece

Ancient Greece was a civilization that dominated much of the Mediterranean thousands of years ago. At its peak under Alexander the Great, Ancient Greece ruled much of Europe and Western Asia. The Greeks came before the Romans and much of the Roman culture was influenced by the Greeks. Ancient Greece formed the foundation of much of Western culture today. Everything from government, philosophy, science, mathematics, art, literature, and even sports was impacted by the Ancient Greeks.

English	In literacy this term, children will be learning about the Gods and Goddesses from Ancient Greece. They will create a fact file of a God or Goddess of their choice and also write their own Greek Myth. The children will also read 'Leo and the Gorgon's Curse' as part of their literacy lessons where they will follow Leo as he takes on mythical monsters from Ancient Greece in an enthralling tale.
Maths	During our Maths sessions this term, children will be learning about the following: fractions, converting units, decimals, percentages, perimeter, area, volume, ratio, algebra and statistics. We will continue to improve our arithmetic skills too!
