

Year 3/4
Autumn
1 & 2 2022

OFF WITH THEIR HEADS!

English

Fiction

Children will use The boy, the mole, the fox and the horse to create their own narratives, character and setting descriptions, make predictions and write their own events.

Non-Fiction

Children will look at non-chronological reports and instructions linked to the book and our Tudor topic.

Poetry

Children will look at how poets and authors create images with carefully selected vocabulary as well as how humour is created using powerful verbs and adverbs.

Grammar, Punctuation & Spelling

Children will continue to learn spelling patterns and sounds. Apostrophes, determiners, commas in lists, conjunctions to express time and tenses are studied this term.

Maths

Numbers: Place value

Children will compare and order; learn and revise the value of digits; count on using multiples and solve number and practical problems involving these. Some children will work with Roman Numerals.

Addition and Subtraction

Children will continue to build on their mental arithmetic skills; begin to use increasingly larger numbers; estimate and use inverse operations to check their answers and solve problems.

Multiplication and Division

Children will continue to develop their recall and use multiplication and division facts for times tables. Every day children will work on their recall and application of times table knowledge by solving missing number problems. Speed will be practiced by 'rocking out' to TTRS and Super Movers.

Measures

Some children will work on conversions of different measures and calculate perimeters.

Topic work

Science - Our topics are Living Things and Habitats - children learn about the 7 characteristics of living things and complete some habitat work. This will include a small investigation and practical observations.

History - Our topic is The Tudors - children will learn about the origins of the Tudors and their most famous king, Henry VIII. They will focus on Tudor life and what it would have been like to live in those times.

Computing - We will be looking at technology all around us and focusing on some digital photography after half term. We will also look at online safety and discuss ways to keep safe on the internet.

PE - Our sports topics are handball, badminton, volleyball and outdoor adventure.

Art & DT - The children will learn about Tudor portraits, design, make and create a coat of arms and a rose. They will study the works of Hans Holbein, the famous artist who was commissioned to paint Tudor royalty.

RE - We will look at questions such as, why do people pray and why are festivals important in religious communities? We will look at a variety of faiths in order to deepen our understanding.

French - Our topics are Je me Presente and La Maison Tudor - children will learn basic greetings and about Tudors.

Music - Our music will centre around learning to play the recorder! We are very fortunate to have the opportunity to learn recorder together this term following a scheme approved by Mrs Houghton, our music co-ordinator.

PSHE + C

Our Jigsaw PHSE themes are **Being me in my world**: we will learn about our place in class, school and the wider global community - we write our class charter and think about what we want to achieve during the school year. **Celebrating difference** - we learn to celebrate diversity and to recognise and stand up to bullying in its many forms. In **Taking Care** we will learn how to keep ourselves safe - recognise when we feel unsafe and learn strategies to ask for help when needed.
