

Year 3/4
Summer
1 & 2 2021

GODS, PHAROAHS & SUN KINGS

English

Fiction

Children will learn the true story of the three little pigs and the poor misunderstood wolf.

Non-Fiction

Children will look at explanations, information texts and brochures. They will compose text for a Egyptian travel brochure.

Poetry

Children will look at how poets create humour through nonsense poetry as well as learning poems by-heart to perform to the class.

Grammar, Punctuation & Spelling

Children will continue to learn spelling patterns and sounds. Nouns, paragraphs, word families and prefixes are studied this term.

Maths

Numbers: Fractions

Some children will compare and find equivalent fractions using their times table knowledge. Other children will use place value counters and grids to make numbers with up to 2 decimal places.

Measures

Some children will work on time looking at days, weeks and months as well as learning to recognise and use roman numerals on a clock face. Children will also learn to measure mass and capacity using a variety of apparatus. They will learn the key facts and measures relating to these two areas.

Other children will develop their understanding of pounds and pence then move on to convert different units of money.

Geometry

Children will learn that an angle measures turn and forms when two straight lines meet at a point. They will develop their understanding of obtuse and acute angles as well as comparing and ordering angles.

Topic work

Science - Our topics are Sound and Electricity - children will learn how sound travels and how circuits work.

History - Our topic is Egypt - children will learn about the origins of the Egyptians and their most famous characters.

Computing - Our topics are Logo, Animation and Search - children will learn to create shapes and animations as well as learn efficient ways of searching for information on the internet.

PE - Our sports topics are athletics, cricket, rounders and ultimate Frisbee.

Art - Our topic is Egypt - children will design and make a cartouche and necklaces.

DT - Our topic is Egypt - children will design and make a shaduf and bake Egyptian bread.

RE - Our topic is What does it mean to be a Christian in Britain today?

French - Our topics are Les Fruits and Boucle d'Or Et Les Trois Ours - children learn the names of fruits and tell a simple fairy story.

Music - Our topic is Blackbird- children will explore the legendary music of the Beatles.

PHSE/Well-being & SRE

This term we will focus on our friendships, the people and things we love and the importance of kindness and doing the right thing in our world. Some of our English, PHSE and art work will use the beautiful book - Star in a Jar by Sam Hay as we learn that sometimes the right thing to do isn't the easiest thing to do.

Our Jigsaw PHSE themes are **Relationships**: we will learn about feelings associated with jealousy and strategies to problem-solve when this happens as well as identifying people we love and thinking about how we deal with feelings when we lose someone or something special to us. **Changing Me** - we learn about the changes in our bodies and when and how these changes happen as well as how to cope with our feelings when physical and emotional changes take place.
