Frequently Asked Questions (FAQs)

Q Who is the legal owner of the dog and who pays for its costs?

A. The legal owner of the dog will be Mr Taylor who will care for the dog out of school hours and will bear the costs associated with it; the school budget will remain unaffected.

Q Will the dog be a distraction?

A. The dog will be kept in an office area. We will be careful to ensure that time spent with the school dog is shared among the children fairly. We will also ensure that children who are not involved in regular, direct contact with the dog are still able to participate in a number of ways, should they wish to do so.

Q Has a risk assessment been undertaken?

A. Yes, we have carefully considered having a dog in school and sought advice from many sources, including other schools that successfully have a school dog.

Q. How will the dog be toileted to ensure hygiene for all?

A. In the interest of health and hygiene, our school dog will be toileted off site wherever possible. Our policy of no dogs in the playground is still applicable as we are unable to put effective control measures in place that guarantee temperament and safety when children come into unsupervised contact with unknown dogs.

Q How will the dog's welfare be considered?

A. Rosie will be walked before and after school as well as at lunchtime. The dog will be kept in an office area and will only have planned and supervised contact with children and visitors. The dog will be carefully trained over a period of time and will have unlimited access to water. We will work closely with other professionals to ensure the dog's welfare is always carefully considered.

Q How will this be managed where children have allergies?
A. We already manage a number of allergies at school and this will be no different for children and adults that are allergic to dogs. Individual needs will always be met and we are happy to work with parents to put additional control measures in place for individual allergies.

Q My child is frightened of dogs; how will you manage this?

A. Access to the dog will be carefully managed and supervised and children do not need to have regular, close contact with it unless permission for this has been given. We hope to work closely with parents of children who are fearful of dogs to alleviate their fear and to teach them how to manage this.
