Key dates: Twycross trip 9th June 2026

Maths

In maths, we are focusing on number skills. We are comparing and ordering a two and three digit numbers, before moving to explore fractions.

English and reading

In English, we are writing reports about different animals. Later, we are going to write newspaper reports about our trip to the zoo.
Some children will focus on phase 3 phonics sounds.
Other children will be reading 'The Barnabus Project'.

Art and DT

In art and DT, we are working in 2D and 3D to make sculptures out of a range of materials. We will be exploring origami, creating with clay and working with wood to create models.

Paws, claws, tails and whiskers.

Music and PE

In PE, we are learning about team sports such as cricket. We will be taking part in Sports day on 22nd/23rd June.
In music, we are exploring pitch and tone, linking our literacy to music by identifying sounds in words.

Science

In science, we are learning to identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals.

PSHE and RSHE

In PSHE, we are exploring how to use calm time to manage our feelings. We are developing our calming strategies and understanding our bodies.
