Key dates: Christmas workshop 16th December, Christmas Party 18th December.

English

In English we are writing a letter telling someone about a wonder of the world, and a narrative set at a Wonder of the World. We are focusing on mastering the basics of writing before adding more complex grammar.

Art and DT

We are creating different art inspired by the cultural patterns found at Wonders of the World. We will also be focusing on building a structure in DT using the design, make and evaluate model.

Phonics

In Phonics we have been working from the start of phonics phases 2 and 3 to ensure mastery, this has supported both reading and writing.

Wonders of the World.

Music and PE

We are learning to play a range of Wind instruments in music. In PE we have been playing Ball games.

RE and PSHE

In RE we have been looking at how beliefs shape how humans live. In PSHE we have been focusing on celebrating differences

Maths

In Maths we are focusing on place value, addition and subtraction. We will be using a variety of methods to ensure a solid understanding. Children will work to numbers which are suitable to them.

Science

We are looking at the Earth and Space, focusing on understanding we live on Earth, what the Sun, moon and stars are.

Geography and History

We are using the topic of Wonder of the World to apply geographical knowledge, locating key places on a map using atlases, maps and globes. We will also be looking at the history as to why some Wonders of the World why they where build and any historical significance.

Computing

In computing we have been focusing on online safety, especially what information is safe and unsafe to share with people we don't know. We have also been looking at what makes a computer network and how we send information from one computer to another.
